

WASAN ISLAND – AGENDA 2018

10.– 16. June 2018

Indigenous Innovation Ecosystem

A variety of stakeholders are brought together to do strategic planning around the structure and design of Indigenous social innovation projects and Indigenous social enterprises. Elders are guiding us through setting the place with ceremony and teachings.

In collaboration with The J.W. McConnell Family Foundation

18. – 21. June 2018

Building a Field of Systems Change

There is a growing demand for systemic approaches to get at root causes of the world's most intractable problems. In this retreat practitioners foster the global emergence of a field that is self-reflective, collaborative, systemic and feedback-rich.

In collaboration with The J.W. McConnell Family Foundation and the Robert Bosch Stiftung

26. – 28. June 2018

UN Ambassador Workshop

The Government of Canada SDG Data Hub brings together a group of UN-Ambassadors to share experiences and reviews from small scale local to UN-wide initiatives.

In collaboration with BMW Foundation Herbert Quandt and the Canada UN Security Council

3. – 6. July 2018

RECODE

Developing the capacity, knowledge and networks of Canadian post-secondary social innovators; to better prepare students, transform campus cultures, and lead society towards a better future.

In collaboration with The J.W. McConnell Family Foundation and Ashoka Canada

9. – 13. July 2018

Team Community Foundations of Canada

The team of CFC will reflect on their organizational journey so far; renewing their energy, plans and focus, and reboot themselves both personally and professionally for the journey that lies ahead.

In collaboration with Community Foundations of Canada

14. – 17. July 2018

Caregiving of People with Schizophrenia

This transdisciplinary workshop explores, examines, compares and contrasts the approach to care and support of people with schizophrenia in Germany and Canada.

Breuninger Foundation

19. – 22. July 2018

Teacher's Wellbeing

A group of Canadian and German experts discusses and reviews approaches and projects on teacher's training and wellbeing.

In collaboration with the Helga Breuninger Foundation, The J.W. McConnell Family Foundation and the Leadership Foundation for Professional Learning and Global Education

25. – 29. July 2018

CONNECT

Projects and Networks are discussed with the Board of the BMW Foundation..

In collaboration with BMW Foundation Herbert Quandt

1. – 5. August 2018

Transatlantic Core Group

In a dialogue process to revive and strengthen the transatlantic relations between Germany and the USA, young executives from all sectors actively advocate to identify new topics relevant for both sides of the Atlantic and develop common solution approaches.

In collaboration with BMW Foundation Herbert Quandt and The Chicago Council on Global Affairs

8. – 11. August 2018

Strategic Foresight with SIX Funders Node

Social Innovation Exchange (SIX) is hosting this international retreat of leading philanthropic funders and practitioner-partners to explore how to build up the skills and capabilities to do systems change.

In collaboration with The J.W. McConnell Family Foundation, the Robert Bosch Stiftung and SiG – Social Innovation Generation

13. – 17. August 2018

Building Belonging in a Rapidly Changing World

This workshop will explore ways on how emerging technologies are impacting our work — through a global, a local, and a personal lens — and explore what we can do to foster greater social cohesion and belonging in our changing communities.

In collaboration with Community Foundations of Canada and Germany and the Robert Bosch Stiftung

19. – 22. August 2018

Movement of Movements: Imaginarium

A gathering of next generation leaders representing a range of the new economic movements of our time in order to connect and build deeper levels of trust with one another and to jointly develop a collaborative social change initiative.

In collaboration with The J.W. McConnell Family Foundation

27. – 30. August 2018

Cities for People

This retreat identifies a series of next steps associated with the vision, principles, programmatic strategy and associated partnerships, approach and governance.

In collaboration with The J.W. McConnell Family Foundation

4. – 9. September 2018

Social Innovation Networks and Network in Canada

In collaboration with the Center for Social Innovation Toronto (CSI) and range of partners we develop strategies on how to build the Social Innovation Network for Canada.

In collaboration with The J.W. McConnell Family Foundation

12. – 15. September 2018

Data and Civil Society with SIX Funders Node

Social Innovation Exchange (SIX) is hosting this international retreat of leading philanthropic funders and practitioner-partners to deepen our approaches to develop skills and capabilities for systems change.

In collaboration with The J.W. McConnell Family Foundation, the Robert Bosch Stiftung

17. – 19. September 2018

Impact Investing

This gathering will bring together foundations that wish to dive into impact investing, or deepen their practice. Using the Impact Investing Guidebook published together in late 2017 by Community Foundations of Canada, Philanthropic Foundations Canada and Purpose Capital.

In collaboration with Community Foundations of Canada

27. – 30. September 2018

Environmental Nutrition in Healthcare

A cross sectoral group will come together to deepen understanding and build 'stretch collaborations' to improve sustainability (social, environmental and economic) impacts of food in health care and explore the connections between patient and planetary health.

In collaboration with The J.W. McConnell Family Foundation and Nourish

27. – 30. September 2018

Nourish: Institutional Innovation in Sustainable Food

A diverse group of hospital managers, governments, food and health non-profits, food companies serving health care and others, are working on transformative ways to change the role of food in health care.

In collaboration with The J.W. McConnell Family Foundation, Greenbelt Foundation, Compass Foods and Sprott Foundation

1. – 4. October 2018

Sustainable Development Goals (SDGs)

Exploring opportunities to strengthen cooperation and collaboration across sectors toward meeting the SDGs in Canada, and enhancing Canada's efforts abroad, under a new shared platform called *Alliance 2030*.

In collaboration with The J.W. McConnell Family Foundation and Community Foundations of Canada

9. – 12. October 2018

Advancing a Just Transition to a Low Carbon Future

Meeting Canada's ambitious climate targets presents enormous challenges. What are the strategic roles for philanthropic organizations and others, in ensuring that the transition for Canadians is just and equitable? This cross-sectoral group will tackle this question, identify priorities and determine next steps.

In collaboration with The J.W. McConnell Family Foundation and the Low Carbon Funders' Group of Canadian Environmental Grantmakers

14. – 17. October 2018

Community Foundation Movement: Rookie Retreat

The community foundation movement continues to grow and evolve. This gathering invites staff who are new to community foundations from across our movement to come together to connect, be energized and learn more about our work.

In collaboration with Community Foundations of Canada
